THE STANDON

A UNIQUE TWO BEDROOM HOME

Your home interior style

It’s the design choices you make that turn a house into a home. The way you combine colours and layer in textures. A look and feel that’s uniquely you. Creating a visual and tactile experience.

Great design is like storytelling and you’re the author. Together we can help to develop the plot and synopsis. But the rest is up to you. Your home reflects your story. It’s where you’ve been and where you want to go. Creating a narrative for how you intend to live your life.

The Standon is the perfect canvas for your interior inspiration. This unique detached two bedroom home with a garage has plenty of space downstairs, appealing to professional couples/individuals or those looking to downsize. Featuring a full width kitchen/dining room with French doors out to the rear garden, a spacious lounge, a separate study and a garage - giving you the space you need to adapt rooms and reinvent how you live your life.
